

FAQ - PRE CO & CO TEAM

Q: How do I know which Company Level my child falls under?

A: Level is based on age and skill.

Pre Company is ages 5 to 14 (2 competitions, DOES NOT attend Nationals)

Mini/Junior is ages 5 to 12

Teen/Senior is ages 13 to 18

You will start by registering your child by age. Dance House will determine your child's placement from there. So please be aware your child may be placed in a level below or above their age depending on skill ability.

Q: If my child doesn't want to do tumbling, will my tuition be adjusted?

A: No. All classes listed under each level are included in the monthly tuition. Technique, ballet, combo/improv, routines, and production are mandatory. If your child does not participate in tumbling, please know your tuition will still remain the same.

Q: Do you offer sibling discounts?

A: Yes. Second child is 25% discount. Third child is 35% discount.
