

FAQ

Q: How do I know which level my child falls under?

A: Level is based on age and skill.

Level 1 is age 5 & up

Level 2 is age 9 & up

Level 3&4 is age 13 & up

You will start by registering your child by age. Dance House will determine your child's level placement from there. So please be aware your child may be placed in a level below or above their age depending on skill ability.

Q: If my child doesn't want to do tumbling, will my tuition be adjusted?

A: No. All classes listed under each level are *included* in the monthly tuition. Technique, ballet, combo/improv, routines, and production are mandatory. If your child does not participate in tumbling, please know your tuition will still remain the same.

Q: Do you offer sibling discounts?

A: Yes. Second child is 25% discount. Third child is 35% discount.
